

The Epiphany Lutheran Church Trust

Purpose

The ELC Trust was formed in 2010 to specifically target youth and family needs in our community. The Trust provides information and assistance to potential donors, receives gifts in various forms and designations, manages investments, responds to extraordinary needs and opportunities in carrying out the church's ministries, and acts as trustee to honor the terms of the gifts given by donors.

Donation Input

Using a simple donation form to be found in the office, please write down your suggestion and your reasons why you believe your suggestion should receive this quarterly gift. Turn the form back into the office at any time and the committee will consider this request at the next meeting.

Donation Suggestion for the ELC Trust

Date: _____

Your Name: _____
